Hamptons Herringbone

Hybrid Herringbone Waterproof Flooring

Sand 615 x 123mm x 5mm

ENJOY THE LUXURY OF HERRINGBONE FLOORING

Surfaces by Hynes latest flooring advancements now include premium hybrid herringbone planks. Boasting an authentic look with a natural feel of real wood flooring, Hamptons Herringbone was developed with the idea that we walk, breath and live everyday on our floors.

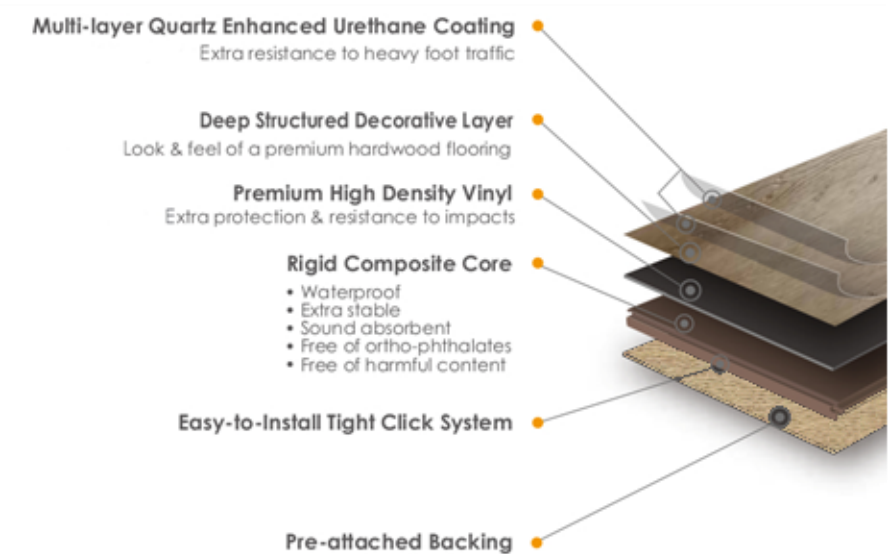

Enduring the heaviest foot traffic along with Australia's varied year-round climate, Hamptons Herringbone Hybrid flooring is 100% waterproof, extremely durable and versatile.

Surfaces by Hynes brand new hybrid flooring planks provide a family friendly floor covering with easy aftercare and maintenance whilst giving a genuine timber appearance with natural variation across multiple planks.
